Time Tunnel

AIR VENT CLIP AROMATHERAPY

Time Tunnel is an exquisite paste aromatherapy product. Its unique feature is that the paste evaporates slowly, giving you a long-lasting and deep aroma experience. The product is composed of natural plant essential oils and carefully blended synthetic fragrances. It has both fresh top notes and warm and long-lasting back notes, bringing you an olfactory enjoyment that travels through time and space. This product is suitable for use in the car or at home, adding a pleasant atmosphere to your living environment. At the same time, it is also suitable for use in closed places such as offices and conference rooms, creating a quiet and focused working environment for you. Choose the room or space where you want the scent to spread, no need to light it or spray it, just place it in the right place and the scent will spread out naturally. You can appropriately adjust the area of contact between the paste and the air to control the intensity and duration of the aroma based on your personal preferences and indoor air quality. Whether at home or in the office, it will be the perfect addition to your space.
